Subject: **LIVING WAGE PROGRAM ANNUAL REPORT**

Attached is the *Living Wage Program Annual Report* for the period of January 1 through December 31, 2014. The Living Wage Program (LWP) has been in effect since June 1999, and currently impacts 16 departments and 198 contracts. This report is also available on the Purchasing and Contracts website at:

[http://purchasingcontracts.co.la.ca.us/living\\_wage.htm](http://purchasingcontracts.co.la.ca.us/living_wage.htm)

Internal Services Department (ISD) did not find any material monitoring discrepancies during this reporting period. Minor deficiencies were identified and referred to the appropriate departments for corrective action and follow-up. ISD will continue to provide training and technical assistance to departments to ensure compliance with the LWP.

The *Living Wage Program Annual Report* is a team effort on the part of County departments and the Living Wage Implementation Team, consisting of the Chief Executive Office, Auditor-Controller, County Counsel, the Department of Public Works and ISD. ISD thanks all participants for their commitment in preparing this report and supporting the LWP.

# **LIVING WAGE PROGRAM ANNUAL REPORT**

**January 1 – December 31, 2014**

---

## **I. Introduction**

The Board of Supervisors adopted the County's Living Wage Program (LWP) on June 15, 1999 (Los Angeles County Code, Title 2, Chapter 2.201). The Countywide Contract Compliance Section of the Internal Services Department (ISD) is responsible for monitoring compliance with the LWP.

Departments are responsible for conducting day-to-day monitoring efforts of their respective contracts subject to the LWP. ISD's LWP responsibilities include:

- Providing an annual report on department and contractor compliance with the LWP.
- Providing guidance and information to departments concerning their LWP responsibilities.
- Assisting departments and providing centralized monitoring of LWP contracts and requirements.

The LWP applies to Proposition A contracts and cafeteria services contracts commencing on or after October 22, 1999. This LWP Annual Report covers a calendar year reporting period from January 1 through December 31, 2014.

This report encompasses 16 departments and 198 LWP contracts. The report summarizes department and contractor compliance and data on salary and healthcare benefits, including the following exhibits:

- **Exhibit A**    **2014 Department Contract Summary**  
Identifies the department acronyms used in the exhibits and a summary of the number of contracts per department.
- **Exhibit B**    **Proposition A - Cafeteria Services Contracts**  
Identifies active LWP contracts as of December 31, 2014.
- **Exhibit C**    **2014 Sub-Contractor Report**  
Provides a list of current sub-contractors servicing LWP contracts.
- **Exhibit D**    **2014 Exemption Report**  
Provides a list of current contractors and sub-contractors with LWP exemptions.

## II. Living Wage Program Accomplishments

ISD continues to ensure that departments and contractors understand their roles and responsibilities under the LWP, and provides guidance on policy changes to ensure compliance with the LWP. During this period, ISD completed the following:

- Provided technical assistance to departmental staff to improve their understanding, monitoring activities, and ensured that contract solicitations complied with LWP requirements.
- Conducted training to County employees regarding LWP solicitation and monitoring procedures.
- Participated in 27 Proposers Conferences and 30 Pre-Job Conferences to provide information and ensure understanding of the LWP.
- Conducted County department reviews to ensure compliance with the monitoring of Proposition A and cafeteria services contracts consisting of various services (see **Figure 1**). Departmental reviews included reviewing living wage contracts, managing the LWP hotline and responding to inquiries/complaints, and reporting instances of non-compliance issues to respective departments for corrective action and follow-up.

**Figure 1 - Service Categories**<sup>1</sup>

<sup>1</sup>*Other* includes Auto Management, Parking Management, Clerical, Language Services, and Transportation. *Food Service* includes a Cafeteria Service Contract.

### **III. Monitoring**

#### **a) Departmental Compliance Reviews**

ISD reviewed 61 LWP contracts, representing 16 departments, to evaluate contractor and department completeness, accuracy, timeliness of monitoring responsibilities and departmental maintenance of documentation as required by the LWP. The compliance reviews revealed general compliance by contractors and by departments in monitoring their LWP contracts.

Overall, compliance reviews indicated that most departments have adhered to Board instructions by using the standardized monitoring forms, conducting annual on-site administrative reviews with contractors, following guidelines and generally complying with the Living Wage Ordinance (LWO) requirements and relevant State and federal labor laws. Departments continued to require assistance from ISD to continuously develop LWP monitoring skills and have the most recent LWP resources.

#### **b) Employee Interviews**

ISD reviewed completed contract worker questionnaires to ensure that departments conducted employee interviews within the guidelines established for the LWP. Employees were asked to verify contractor compliance with LWP requirements to ascertain whether the employees received the LWP's Notice to Employees. ISD confirmed, when applicable, that departments verified the LWO posters were displayed in conspicuous areas. ISD also verified that employees were working full-time and paid in accordance with the applicable LWO rates.

In addition, ISD verified that employee wages and health care benefits, if any, were accurately reflected in the contractors' payroll reports and if applicable, that employees received health care benefits. ISD found no significant discrepancies between employee statements contained in the questionnaires when compared to contractors' reported wages and health benefits. Where these reviews identified isolated instances of possible contractor violations (e.g., labor law, contract performance terms, etc.), ISD notified respective departments of findings and followed up to ensure the issue(s) were addressed and resolved. LWP guidelines require departments to interview at least 10% of the contract employees or, if the contractor employs 10 employees or fewer, the department must interview all employees. ISD found that departments were compliant with conducting the required number of interviews.

#### **c) Employers Offering Healthcare Benefits**

Under the LWP, all employers must pay their employees either: (1) a living wage of \$11.84 per hour without healthcare benefits, or (2) \$9.64 per hour plus not less than \$2.20 per hour per employee toward healthcare benefits. These pay rates apply to all applicable Living Wage contracts.

Based on data gathered from County departments, employers offering health benefits (see **Figure 2**) are as follows:

**Figure 2 - Health Benefits Data**

53% - 104 contracts pay \$11.84 per hour without Health Benefits

33% - 61 contracts pay \$11.84 per hour and provide some form of Health Benefits (less than \$2.20 per hour)

7% - 14 contracts pay \$9.64 and contribute at least \$2.20 per hour toward Health Benefits

10% - 19 contracts are exempt (4 contributed to Health Benefits; 15 did not contribute to Health Benefits)

#### **IV. Technical Assistance and Training Activities**

##### Technical Assistance

ISD continued to provide technical assistance and training to County departmental contract staff regarding their responsibilities to enforce LWP requirements. ISD provided direction to County departments for clarifying and resolving LWP labor/payroll issues. ISD also provided technical assistance to departments during their solicitation process by reviewing contract information (e.g., solicitation documents, staffing plans, forms, exemption requests, and evaluation criteria) to ensure that departments meet all LWP criteria. During this reporting period, there were 90 documented instances of technical assistance provided to departments.

##### Training

ISD continues to provide training and guidance to department staff responsible for administering and monitoring LWP contracts. ISD conducted three, four-hour training classes as part of the Auditor-Controller's (A-C) 32-Hour Contract Monitoring Certification Program. Classes were conducted on August 7, October 1 and December 3, 2014. A total of 96 attendees were trained.

## **V. Evaluation of Labor Law/Payroll Violations**

The County's Labor Law/Payroll Violations Assessment Team (Assessment Team) reviews and assesses the severity and extent of labor violations of firms submitting proposals to provide services under LWP contracts. The Assessment Team consists of representatives from ISD, Department of Public Works (DPW), and the Chief Executive Office (CEO) with County Counsel serving as the legal advisor.

Based on the severity, number, and completeness of disclosure of reported claims and/or violations, the Assessment Team recommended deductions to evaluation scores consistent with the Guidelines for Assessment of Proposer Labor Law/Payroll Violations.

During this reporting period, the Assessment Team evaluated eight proposers with reported claims for and/or labor law/payroll violations. The following summarizes the Assessment Team's recommendations:

- Five proposers were classified as having no violations, and received recommendations for no deductions.
- Three proposers were classified as having insignificant violations, some of which were not fully disclosed, and received a recommended deduction of 1%.

## **VI. Living Wage Program Objectives Update**

On March 30, 2007, the Board instructed the CEO to work with other departments to develop and implement an automated solution to accurately track and project impacts associated with LWO contracts. In conjunction with your instructions, CEO agreed that the LWP Annual Report would be enhanced to include the following:

- The total number and costs of LWO contracts.
- Updated information regarding annual living wage rate increases.

The following subsections highlight implementation of the directives above and provide updates since our last report.

### **a) Automated Tracking of Contract Costs**

The costs of LWP contracts were determined by utilizing the prescribed methodology outlined in the CEO's memorandum to the Board of Supervisors dated March 30, 2007. The current methodology utilizes information obtained from the ISD database of active LWP contracts which the A-C reconciled with eCAPS to validate contract costs. The results are presented in **Table 1**.

Table 1	
Total Number of LW Contracts	198
Total Cost of LW Contracts FY 2013-14	\$193,729,456 <sup>1</sup>

For an itemized list of costs per contract, see **Exhibit B**.

#### **b) Review of Living Wage Rates**

From 2006 to 2013, the A-C provided the Board with updates to the living wage rate as part of the LWP Annual Report. The updates to the living wage rates were based on utilizing the same approach that the Board adopted in 1999. The wage portion of the living wage was based on the minimum gross earnings a participant, living in a family of three, would need to earn to become ineligible for cash assistance under the CalWORKs Program. The insurance portion of the living wage was based on the lowest available standard HMO monthly rate per age group for "Employee & Spouse."

For 2014, the A-C did not provide an update to the living wage rate due to the uncertainty of the impact of the Affordable Care Act's (ACA) on the County's LWO.

In October 2014, the Board instructed the CEO, in consultation with the A-C and the Director of the Department of Health Services (DHS), to report back on updating the LWO. This included the following:

- Review the impact of the ACA on contract employees subject to the provisions of the LWO.
- Evaluate eliminating the need of a dual-tiered living wage system.
- Update the living wage rate using the four methodological options proposed by the CEO in his September 20, 2013 revised report on the LWO.

The CEO convened a workgroup consisting of staff from A-C, DHS, ISD, and County Counsel to respond to the Board's instructions. The workgroup noted that under the ACA, a single income family of three (the methodology used to calculate the living wage rate under the original LWO) will receive medical insurance at no cost since the employee and family members will be eligible to receive Medi-Cal. Further, individuals or a family of two would qualify for employer-sponsored insurance or heavily subsidized insurance available in the State's health insurance exchange if their employer does not offer insurance. The workgroup concluded that the County's living wage rate can be reduced to a single tier by excluding the health insurance cost component which currently is set at \$2.20 per hour.

<sup>1</sup> Source: Auditor-Controller

The chart below compares the current living wage rate, with updated rates using the four methodological options noted in the CEO's September 2013 memo and eliminating the cost of health insurance.

LIVING WAGE RATE					
Description	Current	Using Existing Methodology (Option 1)*	Using CPI Annually (Option 2)	Using the Lessor of CPI or General Salary Movement (Option 3)	Using General Salary Movement (Option 4)
Hourly rate <b>with</b> insurance provided by contractor	\$9.64	\$9.03	\$11.71	\$10.18	\$10.64
Cost of health insurance**	\$2.20	\$0.00	\$0.00	\$0.00	\$0.00
Hourly rate <b>without</b> insurance provided by contractor	\$11.84	\$9.03	\$11.71	\$10.18	\$10.64

\*The decrease in hourly rate is due to the State's reduction in the amount of public assistance paid to individuals.

\*\*Cost of health insurance may no longer be applicable, given that a family of three being paid the County living wage would be eligible for Medi-Cal insurance or employer-sponsored insurance.

Based on the ACA's impact to the County's updated living wage rates, the CEO will reconvene the work group to discuss alternate approaches to updating the living wage rates.

## VII. Living Wage Hotline Calls

The Los Angeles County Living Wage Hotline is designed to receive calls reporting suspected LWP violations 24 hours per day, 7 days per week. During this reporting period, a total of 25 calls were received. The response time was immediate for 22 calls (88%); within 24-hours for three calls. Fourteen calls were related to the LWP; 11 were not. See **Table 2** below.

Table 2	
Classification	Number of Calls
General inquiry	6
Rates	8
Non-Living Wage	11
<b>Total</b>	<b>25</b>

The Living Wage Toll-Free Hotline telephone number is (888) 550-WAGE or (888) 550-9243 and is included on the posters and on the Notice to Employees Handout form that is provided to the contractor for distribution to their contract employees annually. Complaints or general inquiries may be sent to ISD by email to:

[LWO-construction-info@isd.lacounty.gov](mailto:LWO-construction-info@isd.lacounty.gov)

## **VIII. Conclusion**

The following summarizes the current LWP status:

- Departments and contractors are generally compliant with the LWP.
- Departmental deficiencies were identified as follows and were referred to the appropriate departments for corrective action and follow-up.
  - Monitoring procedures.
  - Non-compliance with the LWP Implementation Instructions.

ISD will:

- Continue to monitor and provide technical assistance to departments and contractors.
- Address recurring problem areas in future LWP training sessions.
- Continue to oversee the LWP solicitation process and collaborate with the LWP Implementation Team (CEO, A-C, DPW, ISD, and County Counsel) to strengthen and interpret the LWP Implementation Instructions and address any new developments or issues to ensure countywide compliance.

CEO will:

- Reconvene the work group to discuss alternate approaches to updating the living wage rates.
